

## **School of Engineering**

### **Enrollment Request for Undergraduate Research**

*This form should be completed and submitted to the Engineering Student Services office in Featheringill Hall Suite 104 no later than the tenth day of classes (i.e., the end of the change-of-course period) of the semester in which the student wishes to take the course in question.*

\*PLEASE PRINT CLEARLY\*

Name: \_\_\_\_\_

Student ID Number (found in YES): 000

*(Circle both the subject and course number for which you want to register)*

Subject Area	Course Number
Civil Engineering	3841
Chemical and Biomolecular Engineering	3842
Electrical Engineering	3843
Engineering Management	3850
Engineering Science	3851
Materials Science and Engineering	3860
Mechanical Engineering	3861

Semester: \_\_\_\_\_

Number of credit hours requested (1-3): \_\_\_\_\_

Title of Project: \_\_\_\_\_

Description of Project (as detailed as possible – attach sheets as necessary): \_\_\_\_\_
