

Ph.D. Coursework Audit Form

Vanderbilt University
Computer Science

Student: _____ Advisor: _____

- **For Registration:** *Please submit this form (signed by advisor only) to the program coordinator by the last day of registration. This is required to verify that your registration supports progression toward satisfying the course distribution requirements.*
 - *If applicable to upcoming registration, research credit may be written as a note on the side.*
 - *If you have completed the minimum 36 hours of formal coursework and have satisfied the course distribution requirements, you do not need to submit this form at the start of each term.*
- **For Graduation:** *Prior to submitting the Intent to Graduate Form, you must submit this form (signed by advisor only) to the program coordinator. The program coordinator will submit it to the DGS for you.*

Course Requirements

- 1) List three CS 6000-level or above courses from [three separate research areas](#). One course must be CS 6310.

	Course Number	Grade	Course Status <i>(if applicable)</i>	Research Area of Course
